Order n°	

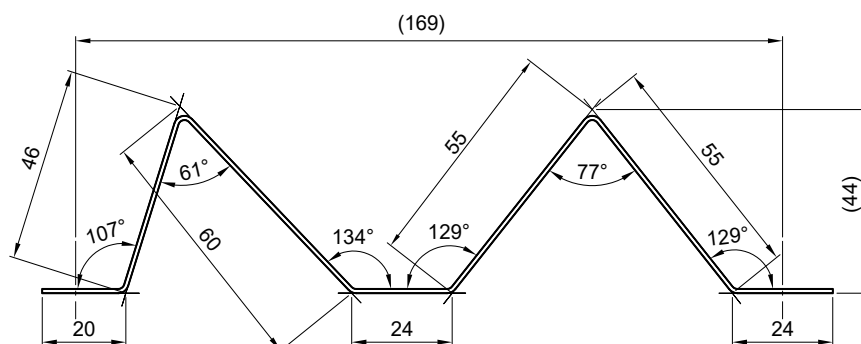

Desired delivery date	
-----------------------	--

Specialities:

Perforation	☐ full ☐ partial (according the indication)
Hole pattern	$\emptyset$ [mm] / pitch [mm]

For individual profile shapes we need a drawing with declaration of all side lengths and included angles (according to the draft) for a quick processing of your order. Missing declarations prolong the editing time and result in additional costs for the technical processing. Please consider the lengths recommendations and specifications of the production tolerances given below.

Draft:

SPECIFICATION OF FEASIBILITY

LENGTHS

MF DESIGN 35-5	0.6 m up to 6.0 m
MF DESIGN 110-4	0.6 m up to 6.0 m
MF DESIGN 25-13	0.6 m up to 4.0 m
MF DESIGN 100-3	0.6 m up to 6.0 m
MF DESIGN 40-6	0.6 m up to 4.0 m

MF 7-8 / MF 7-11	0.25 m up to 4.0 m
MF 25-6 / MF 25-8	0.6 m up to 4.0 m
MF 25/250 / MF 25/333	0.6 m up to 6.0 m

TOLERANCES
